If they want me as keynote then maybe I'm not obligated to be at their dinner that night also? If I am their keynote, pls have Balash and Click (and/or whomever else) work with Kate/Rosanne on the speech- last year's can be resurrected and added to, based on what was accomplished through the regular and special sessions on AGIA, job training, other labor issues, tax reductions, energy issues, etc. Thanks

Ms. James:

You obviously have misinformation about a routine end-of-budget year exercise where short-term non-perm positions are audited. It is up to the Department of Public Safety to determine whether it wants to continue these positions.

So tell me Governor, what are you trying to accomplish by cutting the non-permanent employees at DPS. I'm sure this has something to do with filling trooper vacancies and supporting DPS but I just can't follow the logic. Of course, I haven't followed your logic for some time. I'm hearing this is your pattern. If someone crosses you ,look out. I know you think you have the power now to do this but I think your day is coming. What's sad is you've set women in Alaska back about 50 years with this scorned, vindictive and too stupid act of yours. This is so mind boggling that you would risk your political career for a vendetta. But hey, how the mighty have fallen.

Oh, and Annette I hope your loyalty to the Governer is worth it. It's obvious you've been playing fast and loose with personnel policies while you've been Commissioner. I hope they bring you down too.

Lucy
